[Click here to sign up online at Caseys.com](#)

^ How do I earn points?

Once enrolled in Casey's Rewards, you will earn 10 points for every dollar spent in Casey's stores, in the app, or at Caseys.com. Earn 5 points for every gallon of fuel at the pump (Restrictions apply). To earn, show your Casey's app barcode at checkout or provide your phone number at the pump or over the phone. Online, simply login to your Caseys.com account and start ordering! For every 250 points earned, you can redeem them for \$1 Casey's Cash, 5¢/gal fuel discount (maximum 20 gallons) or a \$1 donation to your local school of your choice. It's your choice!

^ How do I donate to a school?

First, select the school you want to support. In the Cash for Classrooms section online or in Casey's mobile app, click the "Learn More" button to be taken to the school directory where you can search for and select your desired school from the available choices. After you have selected a school to support, you can redeem Casey's Rewards points for a donation to your selected school either online or through Casey's mobile app.

^ How often does a selected school receive its funds?

Payments to schools will be made two times per year, on or around December 31st and on or around April 30th. The December payment will reflect amounts donated from March 2nd through the following November 1st, and the April payment will reflect the amounts donated from November 2nd through March 1st.

School Donations

Make an impact in your community by turning your points into a donation to your local school.
