School Board Appreciation

As citizens who serve students and represent their communities, school board members face complex and demanding challenges. March 6-12 is school board recognition week to honor those individuals who exemplify being Resilient, Ready, and Relentless for all students. These last two years have been a testament to not just the student's abilities to adapt to their constantly changing environment, but also to our school board members who work diligently behind the scenes to make the educational experience the best it can be for our students in a time where normalcy isn't always accessible. They are extraordinary people who voluntarily tackle the enormous job of governing school districts and do so in a manner that illustrates what it means to be Resilient, Ready, and Relentless for all those that they represent. We are very grateful for our members:

Lyle Gray, President

Sharlene Rieke, Vice President

Becca Witt, Secretary

Ellen Henson, Treasurer

Shawn Henson, Member

Josh Kincaid, Member

Candice Reeves, Member
